Results not Rhetoric

I have been active in the Union movement for 30 years. I have served at the Local, Regional, and National levels. I have bargained no concession contracts in both the Private and Public sectors. My goal is to protect, grow, and improve our working and economic positions. I am committed to fighting for your rights. I will be honored to serve you again.

I Will Work Hard For You

- ★ I will make sure your dues are spent for the purpose they were intended
- ★ I will make sure your voice is heard and your decisions upheld.
- ★ I will be visible and available to all members.
- ★ I pledge to make a difference, I pledge to make a change!
