

## GOALS:

- ✓ To include not exclude our leaders for tomorrow
- ✓ To make sure there is a seat at the table for both our Public and Private Sector members
- ✓ To resurrect the programs in our Local that are now dormant
- ✓ To be fiscally responsible and accountable

## COMMITTED:

- ✓ To insuring each entity has representation from that entity
- ✓ To making sure our representation is as diverse as our membership
- ✓ To being available and approachable everyday not just at Election time
- ✓ To restoring print, web, and electronic communication so you have access to issues that impact you

# Results not Rhetoric

I want to thank everyone for the support and encouragement you have given me. There will be a runoff for the President and Vice President positions and you will receive your ballots next week. I ask for your continued support.

My goal is to protect and improve our working and economic positions. I am committed to fighting for your rights. I will be honored to serve you again.

## I Will Work Hard For You

- ★ I will make sure your dues are spent for the purpose they were intended
- ★ I will make sure your voice is heard and your decisions upheld.
- ★ By being .effective, accessible, and never quitting while a member is in need
- ★ I pledge to make a difference, I pledge to make a change!
